CRAFT OF COMEDY CONFERENCE 2016
SCRIPT SUBMISSIONS

Dear Delegate

This year, Script Angel – the professional script analysis and advice service – will be available for consultation during the conference.

A series of TWENTY-MINUTE sessions will be allocated throughout the day to a limited number of delegates.

These will be organised quite close to the day and those delegates chosen (at random, should demand exceed the supply of consultation slots) will be notified with a time slot.

The service offered by Script Angel as part of the conference ticket is limited to analysis of the first TEN pages of any script. It should be submitted in PDF format by 9.00am 4th April. Ideally, prior to that.

Submissions should be emailed to info@giddygoatproductions.co.uk

Script Angel also operates a more detailed, on-going, private analysis service. You can find out more about this by visiting their website.

Good luck – and good writing!
