Dear Sir,

I write to strongly support your intention of using S4C2 for children's programmes. Children are the future of our language, and appropriate provision must be made for them.

I understand that a small number of people appreciate being able to watch the Assembly, but S4C's role is to provide a general Welsh language service for the people of Wales, and Assembly proceedings do not meet these needs.

I hope that transferring children's programmes to S4C2 will enable you to show more programmes for adults on S4C1. I also hope that, ultimately, S4C2 will show programmes for adults in the evenings in order to provide Welsh speaking viewers with a choice.

Yours faithfully,

DJC Davies
