## ***Others Consulted***

The Chair of the S4C Authority, Authority members and key members of staff met with numerous Members of Parliament, Lords, the Presiding Officer of the National Assembly for Wales, Assembly Ministers, Members and officials, individually and in small groups to discuss the consultation document. These private meetings were conducted in Cardiff, north Wales and in London. They offered S4C the chance to explain all of the issues concerned and an opportunity for the Chair to gauge the opinions of parliamentarians.
